**RE: Response to Notice to File Missing Parts
 Application No. 10/820,569
 Filing Date 4/8/2004
 GLF File No. 1394-003**

Dear Sir or Madam:

We have received a Missing Parts Notice for the non-provisional patent application serial number 10/820,569 requesting an additional fee of \$43 (for a Small Entity) for 5 independent claims over 3.

At the time of filing this application, in error we calculated \$42 for each of the independent claims over 3 for small entity, rather than the current rate of \$43 for each independent claim over 3 for small entity. Since there are 5 extra independent claims, in error we incorrectly submitted \$210 that the USPTO charged to our credit card on April 12, 2004 along with the other filing fees. Since we should have submitted \$215, please accept the attached credit card payment form in the amount of \$5. This satisfies the filing fees for this application.

If you have any questions regarding this matter or something more is required, please contact my office. Thank you for your assistance.

Sincerely,
 Jinan Glasgow
